To Whom It May Concern:

I am very pleased to write a letter of recommendation for Mr. Michael Vieira. We have been working with Mr. Vieira since 1997.

We have asked Mr. Vieira to provide piano music for one of our most highly attended annual events, the Annual Holiday Party for our medical staff. The audience/physicians at North York General Hospital have given us very positive feedback; they have enjoyed his entertaining dinner music for many years.

I personally have enjoyed his music which has been so well received by many others.

I highly recommend Mr. Vieira for any entertainment needs you might have.

Sincerely,

Bonnie Madonik
